## The format

# The VXC format

- A low-threshold virtual forum for exchange on globalisation, digitisation, demographic change, climate change, labour markets and the welfare state
- A 90-minute virtual meeting
- news, ideas, results, collaborations in an ‘elevator pitch’ format
- Everybody’s welcome to contribute or listen and comment!
- Contributors have a 5 – 7 minute time slot (may be 3 minutes or sometimes even 10) and 2 ppt slides (headline, keywords, links, contact data!) to present projects, programmes, ideas, results, events ...

# What do we study and why?

# How do we study this?

## Conceptual framework and joint infrastructure

Interactions between welfare policies and labour market aspects of megatrends

Labour supply trends

Labour market institutions and risks

Labour demand trends

Shaping forward-looking inclusive societies and economies

Welfare states and public finance

Preferences, policy and social innovation

Stakeholder engagement

WeLaR is Horizon Europe research project examining the impact of digitalisation, globalisation, climate change and demographic shifts on labour markets and welfare states in Europe. It aims to improve the understanding of the individual and combined effects of these trends and to develop policy proposals fostering economic growth that is distributed fairly across society and generates opportunities for all.
